NEWSPAPER FIND

Search through the newspapers and find an article that deals with a social issue of interest to you. Use the following preview skills to find your article, and then answer questions 1-3 once you've selected a story.

How to Preview the Newspaper

- Read the titles
- Look at the pictures and read the captions
- Read the first paragraph of the articles
- Look at the front page and local section (if applicable)
- Look for words that relate to the concerns in your community

1. What social issues are covered in the article?

2. How does the article make you feel? Do you find it interesting enough to share with others?

3. What did you learn about how the issue affects your community from reading the article?

4. Did reading the article make you want to learn more?
